

SONG LYRICS

Love Machine

Adjusted master

Ladies, you're damn right	(Nadine)	long as I take	(Kimberley)
You can't read a man's mind	(Nadine)	Next time, read my mind	(Nicola)
We're living in two tribes	(Nadine)	And I'll be good to you	(Nicola, Nadine)
And heading for war	(Nadine, Kimberley)	We're gift wrapped kitty kats,	(Cheryl)
Well, nobody's perfect	(Nadine)	We're only turning into tigers	
We all gotta work it	(Nadine)	when we gotta fight back	(Cheryl)
But, fellas, we're worth it	(Nadine)	Let's go, Eskimo	(Nicola)
So don't break the law	(Nadine, Kimberley)	Out into the blue. . . .	(Nadine/Nicola)
Your call's late, big mistake	(Sarah, Cheryl)	Come take my hand, understand	
You gotta hang about in limbo		that you can,	(Nadine)
for as long as I take	(Kimberley)	You're my man & I need you tonight	(Nadine)
Next time, read my mind	(Nicola)	Come make my dreams	(Kimberley)
And I'll be good to you	(Nicola)	Honey, hard as it seem	(Kimberley)
We're gift wrapped kitty kats,	(Cheryl)	Loving me is as easy as pie	(Kimberley, Nadine, Nicola)
We're only turning into tigers			
when we gotta fight back	(Cheryl)		
Let's go, Eskimo	(Nadine)	[CHORUS]	
Out into the blue. . . .	(Nadine, Nicola)	Oh, it's very new	(Cheryl, All)
		Can anybody tell me what to do	(Nadine, All)
		Oh, this feeling's very strange	(Cheryl, All)
		Can anybody tell me what's	
		your game	(Nadine, All)
Come take my hand, understand		A little education	(Sarah)
that you can,	(Nadine)	To kick your motivation	(Nicola)
You're my man & I need you tonight	(Nadine)	We'll turn the situation round	(Sarah)
Come make my dreams	(Nicola)	I don't wanna change ya	(Sarah)
Honey, hard as it seems	(Nicola)	Making you a stranger	(Nicola)
Loving me is as easy as pie	(Nadine, Nicola harmony)	I'll only re-arrange ya for now	(Sarah)
CHORUS:		I'm just a love machine	(All)
I'm just a love machine	(All)	To kick your motivation	(Nicola)
Feeding my fantasy		I'm just a love machine	(All)
Give me a kiss or three & I'm fine		I'm just a love machine	(All)
I need a squeeze a day		To kick your motivation	(Nicola)
Stead of this negligee		I'm just a love machine	(All)
What will the neighbours say this time			
I've been going crazy while you sleep	(Nadine)		
Searching for a language that the			
2 of us can speak	(Nicola)		
So, Mr. Prehistoric make your wheel	(Nadine)		
& I'll breath underwater cos I like			
the way it feels.	(Kimberley)		
Your call's late, big mistake	(Sarah, Cheryl)		
You gotta hang about in limbo for as
